

Coaches Code of Ethics:

- I will lead by example in demonstrating Christ-like love and a servant attitude to all players in a way that honors God and blesses my players.
- I will purposefully work to promote the goals of the association.
- I will place the emotional, physical and spiritual well-being of my players above my own personal desire to win.
- I will strive to treat each player with equal respect and concern as an individual who is made in God's image, and to keep in mind their emotional and physical differences.
- I will hold myself to a higher standard in providing a safe playing situation for my players, teaching them to respect their own and others bodies as uniquely designed by God.
- I view my position as a sacred trust with opportunity for leadership and influence among young ladies who possess God-given talents.
