## FROM THE BOARD

We need parents that are willing to join the RCV Board. This includes working enthusiastically with the coaches, work to prepare for the new season, share in the effort and planning, and help determine the direction of the RCV program.

Board positions are volunteer positions, the rewards are watching the players learn and excel, seeing the program grow, and observing both players and families develop lasting relationships. If you are willing to serve in this way, or are interested in learning about the RCV board, please email [rcvpatriots@gmail.com](mailto:rcvpatriots@gmail.com) or speak to one of the current board members: Jonathan Bras, Kristin Haight, Terri Vanden Berg, or Robyn Wassink.

It is important that we add additional board members to ensure the longevity of the program, to allow time for training in board responsibilities, and to smooth the transition of incoming and outgoing board members. Thank you!

**IMPORTANT NOTE:** All practices will be closed to observers, including parents. This will allow coaches and players to focus on training by eliminating distractions. At least one board member will be present for practices.
