Tournament for Varsity
August 20, 2022
8:00 am at MSA Fieldhouse in GR**

We heard you! Thank you to everyone that returned the surveys. It was wonderful to see so many positive and encouraging comments. The most common concern was the need to improve communication. We decided to start a newsletter to help with the communication about all aspects of the program. We need your help to name this newsletter. See information on the next page about the Name The Newsletter contest.

Volunteer Opportunities

This year we are needing help from each club family. We are asking each family to volunteer during the season. Stay tuned for a complete list of volunteer opportunities available for you to pick from (Helping with concessions, line judging, planning/hosting a team bonding night, etc.)! We look forward to making the club stronger as a family!
