

COACH'S CORNER

EMMA SUMMERFIELD – 14U Coach

I grew up in Grand Rapids, Michigan. I was homeschooled along with my two younger sisters through high school. I played at RCV from 7th grade through 12th. I also played club volleyball at Michigan Volleyball Academy. After high school, I was recruited to play volleyball for Grace Christian University. My primary position throughout my volleyball career was Libero/Defensive Specialist. I was also team captain my junior and senior year.

In 2016 I started coaching at MVA. I have coached teams ranging in age from 12-14 years old. As a former player for RCV, I am excited to come back and invest in the program that supported me.

For college I had the opportunity to do a dual-degree program with Grace and Davenport University for accounting. In 2021, I graduated with my bachelors in Business Administration and masters in accountancy. I currently work at SpartanNash in accounting.

THE RCV SPONSOR PROGRAM

The Sponsor Program continues to grow. RCV families have earned almost \$2,000 toward their registration fees. For every sponsor you bring in, you receive a **credit of 30%** of the sponsorship toward your club fees. Sponsors will receive promotion, advertising, and more. This is a great way to reduce your club costs while also supporting RCV. Email rcvpatriots@gmail.com for more information, or look at our website, www.rcvpatriots.org, under the Sponsors tab to find the request letter and form to send to your sponsors.

OPEN COACHING POSITIONS

RCV is still accepting applications for coaches and assistant coaches. Our goal is to have four coaches and four assistant coaches before tryouts.
