## MARLAE FOX – Practice Team Head Coach

I am so excited to come back to RCV as a coach!

Throughout my life I participated in a variety of sports: softball, skating, soccer, volleyball, basketball, and gymnastics. I began playing the violin at age 4, and I began giving private lessons at age 14. Sports and Music have played a big role in my life. 2014 -2015 I played basketball on the home school Thunder Team. 2011-2015 I played volleyball for the Rivertown Christian Volleyball high school team. In my senior year, our team won State and went to Nationals. My freshman and sophomore years of college I played middle blocker at Grace Bible College, which is where I obtained my Associate's Degree in Bible with an emphasis in music. While I was at Grace, I helped other students as a Peer Academic Coach, as well as a Music Theory and Aural Skills Tutor. Then I went on to GRCC and obtained my second Associate's Degree in Music, and was nominated for a Leadership Award, as well as being a Music Theory and Aural Skills Scribe for individuals with vision impairments. My final college destination was Western Michigan University where I obtained a double bachelor's degrees in Violin performance and Music Therapy. I am now a practicing board certified Music Therapist. In May of 2022 I married Abe, my home school basketball buddy!
