

COACH'S CORNER

DAN SCHOLMA – Assistant Junior Varsity Coach

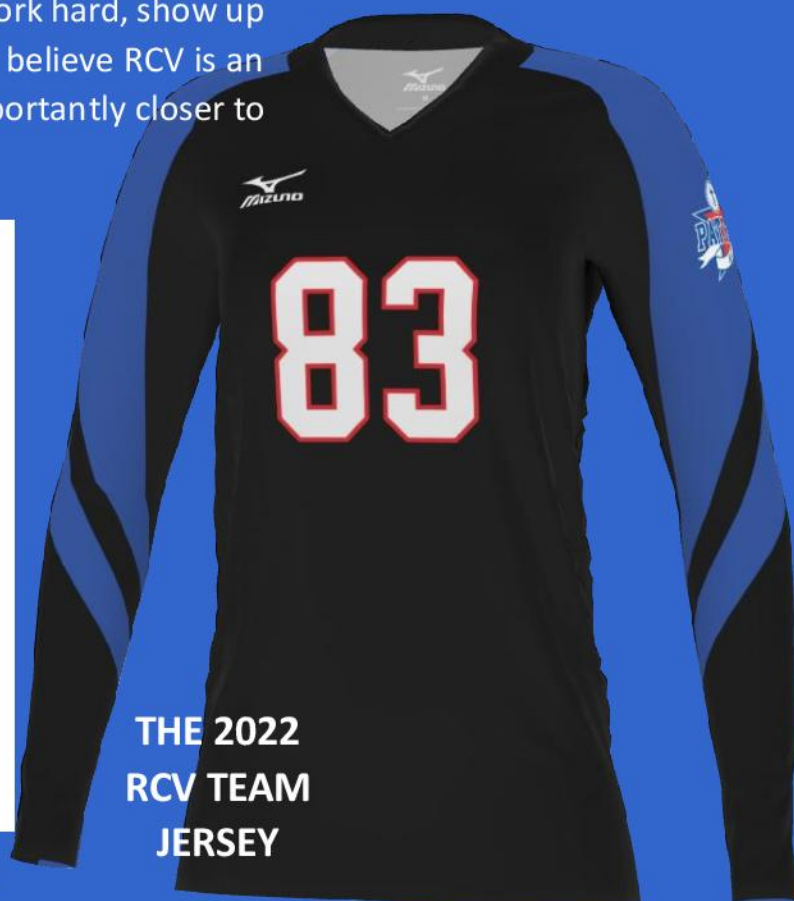

My wife Amy and I have homeschooled for 19 years. We live in Allendale and have three children. Ethan married three years ago and just gave us our first grandchild. Ellie works as a wedding photographer and travels in the winter. Grace is 15 and loves basketball, volleyball, and praise band. Amy is a wonderful homeschool Mom who loves encouraging other homeschool kids as well. She is constantly planning things with Grace's teammates to encourage friendships and opportunities to grow closer to Christ. I work in Comstock Park designing for a tool and die company. I worked with cadets in our church for over 20 years. For the past four years I have been coaching girl's JV basketball and absolutely love it. I am excited to work with the RCV club to encourage skills, discipline, drive, and commitment. As a basketball coach, I have helped many girls excel in these areas and am appreciative for the opportunity to work with the RCV girls as well. Sports is an excellent tool for learning skills, specific technics, and teamwork. It builds patience, accountability, and commitment. I teach kids to work hard, show up on time, complete challenges, and do their best. I believe RCV is an excellent place to grow as an athlete and most importantly closer to Christ. Thank you for trusting us with your girls.
